

Edgar Degas Le Class De Dase 1873-75

*Edgar Degas Was an
impressionist*

*Degas was a one of
the strongest
promoters of
impressionism*

*Degas is responsible
for the organization of
the first impressionist
exhibition*

*Some of Degas's work
possesses more of a
Realist perspective,
even though Degas
never saw it this way.*

*A majority of Degas's
work captured people
such as ballet dancer,
laundresses, and
milliners at work.*

*Degas didn't just stick to
one type of media he
used a variety, which*

*ranged from oil,
watercolor, pastels,
etching, and even
photography*

*Edgar Degas is most
commonly known for
his Ballet Paintings*

*The Dance Class was
painted with oil on a
canvas.*

*The one thing that I enjoy
the most about this
painting is its ability to
draw you in as if you are
a member of that dance
class.*
